Bourgogne Rouge Pinot Noir

SOILS : Limestone and white marl.

GRAPE VARIETY : Pinot Noir

VINEYARD & TERROIR

Regional AOC produced throughout Burgundy. Our vines are located in Meursault village. This Burgundy opens with scents of ripe wild fruits with an elegant personality and a beautiful structure that leaves a light and delicious taste.

WINEMAKING & AGING

The winemaking is traditional. Alcoholic fermentation with natural yeasts. Maturation takes place in oak barrels, 30% of which are in new barrels, for 10 months. The second year of aging continues in large oak vats on fine lees.

Tasting

- Intense color, dark ruby red. The nose reveals nuances of red fruits such as strawberry and redcurrant and very seductive scents. The palate presents very soft and melted tannins, good sweetness with raspberry aromas and ideal concentration. It's a delicious and savory wine.
- Red meat, grilled meat.
- This wine will be appreciated served at a temperature around 14°C.
